CODY'S ANGELS MISSION

Cody's Angel's mission is to help Children and families dealing with Ewings Sarcoma and other life threatening diseases, by providing funds, gifts and support for the children to help them while they are receiving treatment. Through the third annual Cody's Angels Golf Tournament, we are pleased to be able to provide a place where people can get involved and help.

Come join us!

Come out to meet the Meiers family and contribute to all that they are doing on behalf of Cody, who was an athletic, motivated, loving, incredible young man whose life was sadly cut short. Your support will help keep so many children's spirits up and fuel their resolve, for a speedy recovery.

Get a foursome together or just come out on your own. Either way you won't want to miss out on a FUN day of golf for such a great cause. We thank you for helping and supporting Cody's Angels, the Meiers Family and other children!

ABOUT EWINGS SARCOMA

Ewings Sarcoma is a malignant round-cell tumour. It is a rare disease in which cancer cells are found in the bone or in soft tissue. Ewing sarcoma occurs most frequently in male teenagers. Although usually classified as a bone tumour, The symptoms and rarity of the disease means it is almost always misdiagnosed as a muscular/skeletal injury. This was the case for Cody Meiers.
